A huge thank you to all who have supported Echuca East Primary School during 2009.

I am very proud of the improvements we have made this year and we will continue to improve on everything we do.

To all our graduating year 6 students, I wish you all the best for your future education and lives. I hope your time at Echuca East Primary School has been positive and you go away with fond memories. You will always be part of our school community and we will continue to follow your journey and give support if needed.

To families who no longer have students at EEPS or who are moving away from our school, we thank you for your time here and please know if you ever need additional support or information from our school to assist your child/ren's new school please do not hesitate to contact us.

We have staff taking time off next year, Sarah Toll and Emily Ridge, and we hope they have a fabulous year. We will certainly miss them both and welcome them back in 2011. Rachael Bath's and Rob Wright's contracts finish at the end of the year and we thank them for their time at East. Jennifer Sullivan returns to New Zealand after two years in Australia. We thank her for her classroom work. The children have certainly benefited from such an experienced teacher. Knuckle Bones will be a lasting memory. I know she will think fondly of our Aussie sporting teams when they play New Zealand! (Maybe not!)

I welcome our new staff: Ben Hawthorn, Ben Holmfield, Megan Stuchbery, Kristy Cochrane, Tegan Parkinson and am confident our students will value their experiences and relationships.

Lindy Burke and Shirley Mangiameli will be working in new positions at EEPS, as Literacy and Numeracy support and coaches. I am excited having these talented teachers in the leadership team. Brent Taylor and Chrissy Drummond will be my Assistant Principal's for 2010. They are extremely capable and student focused and will serve our school and community well.

To all our families, and my wonderful staff, have a happy and safe holiday season and we will all be back in 2010 working together for our students. We have a great learning school and together we can make it even greater.

Class Hamper Raffles

We have had an encouraging response to the raffle tickets sent home last week. Please keep them coming in. All tickets must be handed in to the office with money by Wednesday 16th December to ensure they are in the draw. Tickets will be available on the night.

Family BBQ

Our Family BBQ will be held at EEPS on Thursday 17th December commencing at 6.00pm. You will be able to purchase snags and drinks as well as any last minute raffle tickets for our awesome hamper raffles.

We look forward to a fun filled night with entertainment from our students to conclude the 2009 year.

School Uniform

As previously advised we will not be continuing with the uniform shop at school in 2010. Please find attached an order form with the current prices.

34B Emu Bob

On Monday class 34B picked up around 2000 papers around our school buildings and it was before recess. Some of the rubbish was not schools but some was. It was a Despicable sight. I picked up 200 papers. Please DO NOT litter, and help our community. - Ryan Dyson

On the 7th of December 34B picked up rubbish around the school buildings. We collected approximately 2000 pieces of rubbish before recess. Some of the rubbish wasn’t school students but most was. Please do not litter and when you take rubbish outside remember to put in the bin. - Eden Pereira-Burrell

On Monday our class 34B picked up rubbish around school building. We collected approximately 2000 pieces of rubbish before recess. Some of the rubbish was not school students but lots of it was. It was disgusting. Please do not litter! Please put all rubbish in the bin and look after our community. - Mathew Lucke

Thank you to Josh & Kristen Pentreath for preparing a magnificent meal for us all at last weeks staff party. If you are looking for somewhere different to dine it is well worth the drive to Lockington to experience all that Providore has to offer. Or if you have a function your would like catered give them a call.

2010 Booklist

2010 Booklists will be sent home tomorrow. Unfortunately the prices for class requisites have increased. We are using a different supplier again this year in order to keep costs as low as possible.

EMA recipients will once again have the option of signing their portion of the EMA payment over to school to go towards 2010 class requisites / excursions.

Like last year, level 3 and 4 students have the option of ordering their Additional Items through the school or they can source themselves. Those who wish to order through the school supplier must return their order slip asap.

As a result of our recent survey regarding a lump sum excursion fee we are trialling this for 2010. Each booklist includes an amount for excursions, incursions and activities. It does not include school camps and those few activities in which only a few children participate (i.e. primary schools basketball and soccer tournaments, zone sport, interschool swimming and athletics etc). The levy can be paid at the beginning of the year or over four terms. If a student does not participate in a particular excursion or activity the family account will be credited accordingly. Students who have not paid for excursions will not participate.

If you have any queries at all in relation to 2010 booklists or payments, please contact me.

Corey Sidebottom felt like the star of the recent Art show held at the old YMCA building. He took his former Prep teacher, Sarah Kilborn and Laura Hopkins along for a look at his fabulous Art work.

A big thank you to the following families for all they have done over their years of involvement at Echuca East Primary School. They will be missed.

Bindi-eye

Now is the time to get them out.
Or else you might let out a mighty shout.
Get them while they're really small.
Before they get big and tall.
They really, really, really hurt.
Sometimes they're hidden in the dirt.
Check your backyard and nature strip.
And get down busy rip, rip, rip.
Make sure you get them by the stem.
Or else they'll keep going and never end.
If there are too many give them a spray.
And then you can yell out hooray, hooray!!

By Kelly Gould and Chloe Mitchell 34E

We have a small bindi-eye issue just beyond the Level 1 & 2 playground area which is under control. However both Kelly and Chloe feel very strongly about this issue. As part of their poetry unit the girls have written this poem.

**Kids Christmas treats**

School's out and you need to amuse the kids? Get them in the kitchen and help them make these super-easy Chrissy treats. Yule love 'em!

**Mini Christmas Puddings**

**Ingredients (Makes 12)**
- 100g white chocolate melts
- 12 Arnott's Royals chocolate biscuits
- 12 Jaffas
- Spearmint leaves, cut into smaller leaves

**Method**
- Place the white chocolate melts into a heatproof bowl. Microwave on Medium/50% power, stirring every minute until they are fully melted.
- Spoon the melted chocolate into a sealable plastic bag and snip one corner of the bag to make a piping bag. Pipe enough white chocolate on top of the biscuits, allow to drip down the side to resemble custard flowing over the pudding.
- Place a Jaffa on top and a small spearmint leaf each side of the Jaffa and secure in the melted chocolate.

**Canteen Thank Yous**

Thank you to everyone who has helped in the canteen throughout the year. As you know the canteen needs your assistance to operate. I appreciate all your help very much and the students really enjoy seeing their mum or dad helping out at school.

As this is their last year as parents at EEPS, I would like to give an extra big thankyou to Sandra Carey, Deirdre Cootes, Carenza Dean & Marg Thompson for all their continued assistance over the years. Your help has been very much appreciated and I will miss you all.

A huge thank you to Barb Beer for her tireless efforts every Monday cooking all the yummy muffins, slices & choc balls the kids love so much. I hope you really enjoy your holiday.

Goodbye and good luck to all our grade 6 students as they embark on their secondary schooling in 2009.

I wish all of the EEPS community a very Merry Christmas and a safe happy New Year.

CLOTHING
As we do lots of ‘messy’ activities, we recommend children wear their ‘older’ clothes to the program. Enclosed footwear is compulsory (runners or joggers are best) and a jacket for when we are outdoors is a necessity.

MEALS & REFRESHMENTS
Parents/guardians are to provide healthy lunches, snacks and a refillable water bottle daily. Children are not permitted to bring money or foods that need heating, reheating or preparation to the program. Due to an overwhelming response in favour of our ‘water only policy’ survey, children should bring a refillable water bottle. In line with our Health and Nutrition Policy guidelines, sugary drinks, chewing gum, lollies and sugary snacks are not permitted.

CHILD CARE BENEFIT/FEE RELIEF
To receive fee relief your children must be registered with Centrelink under both our provider numbers which are 555 007 961L & 555 010 998K and as school aged.
Registration can be done over the phone on 136 150 or in person at Centrelink. If we don’t have an assessment notice for your family full fees will be charged and are payable daily and any fee adjustments will be made on receipt of an assessment by the program and according to the date indicated by Centrelink. Assessments can take a while to come through to us so please try and register well before the holidays.

BOOKINGS
Booking Forms are available at the Program 3.30pm to 6pm weekdays during the school term. Enquiries PH 5482 4503 and Fax 5482 5907.

FEES
Echuca Holiday Program is a not for profit community organisation, managed by a committee of volunteers.
Attendances must be prepaid when booked. Casual fees apply to attendances not prebooked and prepaid.
(minimum one week prior to program commencement.)
Cancellations will incur the full cost of care & credits will only be given on receipt of a medical certificate.

SUNSMART POLICY
Broad brimmed hats must be worn when outdoors (caps, sun shades etc. are not acceptable). To participate in any outdoor activities all children & staff are required to wear clothing with sleeves and body cover (singlet tops, midriff tops, and anything sleeveless and/or exposing body parts is unacceptable). Parents/guardians are required to provide their child/children’s sunscreen to be applied as directed. Your co-operation with this is extremely important as failure to comply with our sun smart policy guidelines means your child/children will not be permitted outdoors (copy of the policy is available from the program).

ATTENDANCES
Our program activities commence at 10am daily therefore children must be signed in/arrive by 10am. Children arriving after this time will not be accepted unless prior arrangements have been made with the co-ordinator.
